

Matthew 13:1-23

The Parable of the Four Soils

1. Listening to Jesus
2. Who understands the parable when Jesus first tells it?
3. Why does Jesus speak in parables?
 - It's not to make himself clear!
 - A parable is a story Jesus tells
 - That to some teaches and explains
 - But to others confirms their unbelief
4. The parable explained.
 - the seed

 - the soils
5. Which soil are you?
